## How it all happened ....

Round 9 saw our first game back after the PAFL mid-season break, and it was a great to see such a large turn-out of players, especially so many new faces! This is what PAFL is striving for and we hope to continue recruiting players from all corners of the globe!

The match itself was very tightly contested with a strong wind advantage to the stables end. The Eurekas wasted the wind advantage in the first quarter with the Dingoes showing how it should be done as they took a 4 point lead at quarter time.

The second quarter saw the Eurekas bounce back, this time into the wind which is what they should've done in the first quarter! However, they still trailed at half time by a solitary point.

The third quarter saw the Eurekas use the wind more efficiently as they piled on 5 goals to one to take a handy 26 point lead into the final quarter.

As usual, the Dingoes were not out of it and with the use of the wind in the last quarter, and some strong overhead marking and 3 goals from David Bonner, the Dingoes threatened to overhaul the Eurekas, but a steadying goal from Zorba amidst the onslaught kept the Dingoes at arms length and handed the Eurekas a 16 point victory.

The scoreline didn't quite reflect how close the game actually was, but it was a well fought game with some excellent skills displayed from both sides, especially some of the "non-Aussie" new comers.

Thanks once again to our sponsors including our new sponsor, Murphys Makati Irish Pub. Without our sponsors, none of this enjoyment would be possible.
